# Spring 2005

**The Pro Parks Levy is making a difference in your community.** With funding approved for this eight-year levy by Seattle voters in 2000, we're building new parks, enhancing maintenance, and expanding programs throughout the city. Our recreation facilities are providing innovative teen programs that enhance self-esteem and build life skills, more environmental education to increase awareness about the wonders that surround us, swimming lessons for all 3<sup>rd</sup> and 4<sup>th</sup> graders to make sure every Seattle child knows how to swim, a wider range of activities for seniors, and more.

We're cleaning and removing litter from our facilities and parks more often; expanding park maintenance in the summer months, when use is high; and working hard to maintain our valuable landscapes, trees, and other natural assets. Whether you prefer sports or quiet contemplation, there are more active play areas and passive park lands available for you. New things are happening every day, so keep an eye out for the Pro Parks Levy signs in your neighborhood.

In keeping with our environmental stewardship policies, we're trying to reduce the amounts of paper we use. We invite you to visit our web site at [www.seattle.gov/parks](http://www.seattle.gov/parks). You can find this brochure information online.

Your registration will be cancelled until you pay the amount due, plus a service fee of \$25 will be charged for NSF checks. We are working on a system that will make online registration available.

## **FEES AND CHARGES**

Our Advisory Council provides the programs and activities listed in this brochure under an agreement with Seattle Parks and Recreation. Fees collected by the Advisory Council are used to offset the cost of providing the programs. Program charges include user fees of 3.25% paid to Seattle Parks and Recreation to defray operating costs. Class and program fees include Washington State sales tax where applicable.

## **MAGNOLIA ADVISORY COUNCIL**

You can make a difference! The Advisory Council is a group of citizens dedicated to the enrichment of our community. Its support enables us to offer a variety of programs and services for people of all ages, abilities and backgrounds.

Our Advisory Council is always looking for new members. Meetings are held on the 1<sup>st</sup> Thursday of every month, to talk about programs, policies, and financial issues. Citizen direction and participation are vital to our continued success. Advisory Council members also create scholarship opportunities through grant writing and other fundraising activities. If you'd like to get involved, please contact our staff.

Most classes, workshops, sports, and special events are funded through the Advisory Council rather than through Seattle Parks and Recreation. Revenues generated through program fees offset program cost to make Advisory Council activities self-sustaining. We rely heavily on program participation, donations, and contributions to buy, repair, maintain, and upgrade program equipment and supplies.

## CLASS DATES

---

Most classes begin the week of April 11<sup>th</sup>, 2005. Please check with center staff regarding class status. Great classes are often cancelled due to low enrollment or late registration, so please register early.

The Council may choose to offer scholarships for qualified applicants. Scholarships are also available through Seattle Parks and Recreation and DSHS. ## ANTI-DISCRIMINATION POLICY

## REFUND POLICY

---

It is the policy of the Seattle Parks and Recreation and the Associated Recreation Council that:

Anyone who registers for a class, camp, special event or program that is cancelled for any reason by Parks and Recreation or the Advisory Council will receive a full refund.

Anyone who registers for a day camp, trip, overnight camp, special event, or facility rental, and who requests a refund 14 days or more before its start, may receive a refund minus a service charge. If a person attends a class or program and request a refund before the second session of the class, a pro-rated class fee plus a service charge of \$5.00 or 10% of the fee, whichever is greater will be retained. If a participant drops a class or program after the second session of series, no refund will be given.

Kendo is the art of Japanese fencing using a shinai (bamboo sword) and traditional armor, which allows for full contact and competition with others. The emphasis in Kendo for beginners and advanced participants is correct footwork, posture, and hitting. Participants should expect 4-9 months minimum learning and practicing Kendo basics before wearing armor. New students will need to purchase a shinai for approximately \$25 - \$30. The shinai can be purchased for the instructor at the first class session. Appropriate for ages 10 and older. Interested students are encouraged to observe a session in the current quarter prior to enrolling. Call 360-710-8480 (Ron Risher) for the current schedule.
